1 Q Do you expect to testify about examples of culverts that
2 may affect the Tulalip Tribes' fisheries? I believe
3 this was another --

4 A Not the culverts, examples of culverts themselves. But
5 probably the way they, they block the salmon. I'm not
6 sure what caused them to block the salmon. And they
7 were blocked there. Whether they're too big, too small,
8 they blocked the salmon, totally destroyed the run.

9 Q Are there any -- I know you mentioned one on 88th
10 Street --

11 A That's right, yes.

12 Q -- a little while ago. Are there any specific examples
13 besides that one on 88th Street that you have in mind as
14 what we would call sort of a poster child of the culvert
15 issue?

16 A That's the only one I'm very familiar about, that one
17 right there. I have not talked to the tribe fisheries
18 about any others there, but that one I do know.

19 Q You mentioned that you're not sure of the owner of the
20 road, the 88th Street road.

21 A I feel it's Snohomish County.

22 Q Then I assume that you don't have any examples of
23 specific culverts that would affect other tribes besides
24 the Tulalip Tribes?

25 A No.
